

Sea Festival seeks grant

The request of Warren Brighton on behalf of the White Rock Sea Festival Committee for a municipal grant to help defray the cost of the festival until the Budget is presented next month.

Council felt that with the present uncertain financial situation it was difficult to make any unbudgeted commitments.

Mr. Slaughter said the second festival is planned for July 24 and 25, and already considerable more interest has been aroused in the program from the success of the initial venture. The committee plans to decorate Washington Avenue in celebration of the festival with the operation of the local merchants, and they hope, with Council permission to have concessions including a salmon barbecue on the beach. It is also planned that the government brokerware will be constructed in time for the celebration.

The plan to have festival tents to continue for two days, the committee asked for a larger grant than that given last year.

CRESCENT BEACH

Fire truck passes fire by

An amusing incident took place here when the fire alarm sounded last week. Due to a misunderstanding, the fire truck passed the house where the fire was and proceeded up the hill. The owner of the house was standing outside, waving frantically and a passing motorist inquired, "Do you want a lift?" "No, we want the fire truck," he answered. The fire truck put on a spur, caught the fire truck, and returned it. This, which fortunately was not too serious.

The regular monthly meeting of the Crescent Ratapayers' Association will be held at the Hill on Monday, February 27, at 8 p.m.

The 1st Crescent Beach Drive-in Rock with their Brown Owl, Mrs. W. Brown, attended the "Thanking Day" church parade held at White Rock on Sunday.

Last rites held

for Mrs. E. H. Morrison

Funeral services were held for Elina Hazel Morrison, 90, 43rd Ave., Monday, February 23, at 2 p.m. from the Chapel Hill Funeral Parlour. Rev. W. Ward officiated. Cremation followed.

She passed away, February 19, in her 92nd year, at the Royal Columbian Hospital. An enthusiastic member of the Lawn Bowling Club, and interested keenly in all White Rock activities, she will be greatly missed by her host of friends.

Born in Victoria, Australia, she came to Canada 27 years ago, and settled at White Rock 15 years ago. Her late husband enjoyed a trip to Britain a few years ago, and she has the joy of having her son, who came from Australia to visit her recently.

She leaves to mourn her passing, her loving husband, George, at home, one daughter, Mrs. D. Pitman and one grandson in Victoria, Montana, her mother, brother and six sisters in Australia, and two sisters in the U.S., as well as one son, Mrs. G. Burgess in Vancouver.

Red Cross meets

White Rock Branch of the Canadian Red Cross Society will meet at the home of Mrs. M. Moffat, 145 Pliny St., on Monday, March 2, at 2:30 p.m.

This meeting is the first of the 1962 Financial Campaign, a large attendance is requested.

Endicott speaks here

Speaking to an audience of over 300 at the Palladium Monday evening, Dr. J. A. Endicott outlined the necessity of a "Crisis Line to Korea." He opposed to a broadening of the conflict in Asia, giving the various reasons, the most emphatic being "a dangerous rift that would develop in the Western Alliance."

Dr. Endicott appealed to the audience to assert their desire for peace in a positive manner by writing to President Dwight D. Eisenhower and Lee Harvey Oswald.

CONCILIARY BALKS ON 1953 SCHOOL, PARKS BUDGETS

The Surrey School Budget amounting to \$902,860 for ordinary expenditure during the current year, and \$100,000 for extraordinary expenditure has been referred back to the School Board for further re-consideration and revision.

This was decided following the presentation of the Budget to Surrey Council.

Estimates submitted by Surrey Board of Park Commissioners for \$73,760 was also referred to next meeting of Council for consideration. Parks estimate was considered excessive in view of the much greater need for good roads.

Fire estimates have

budgets ride thru Council

Budgets presented by Municipal Fire Departments were accepted by Surrey Council subject to the legality of purchase of trucks required in some instances and a possible change in mill rate due to adjustments from Council of Revision.

Crescent and Ocean Park had \$153,000 property valuation of \$1,560,000 and \$117,000 respectively. The total for the two departments was \$1,677,000 with 1,675,000 with 2,881 mill rate. The total for the two departments was \$1,677,000 with 1,675,000 with 2,881 mill rate.

White Rock \$1,287,250 on \$4,307,200 on 2.85 mills. Sunnyvale \$1,292,835 with 2.81 mills. The total for the two departments was \$1,677,000 with 1,675,000 with 2,881 mill rate.

Request of North Central Surrey Fire Committee included \$100 to cover wages of firemen attending fires in the annual budget.

Harold Barge of White Rock has been appointed captain of the White Rock-Sunnyvale Fire Brigade to succeed James Brown whose resignation was accepted by Council.

Federal Government aid wanted for Crescent

... for dyking and waterfront protection

Surrey Council will seek cooperation of Provincial Ministry of Public Works (Gagard) and T. J. Irwin, M.L.A., in obtaining financial assistance from Federal government authorities in connection with waterfront protection and the dyking of all Crescent beach from the Great Northern Highway.

This decision followed receipt of a letter from Wm. Mott, M.P., asking Council to seek this assistance through the Provincial government. Under the new Act, which is now before the House of Commons each of the senior governments will pay 25 per cent with the other 25 per cent being borne by local agencies.

Reverend Charles Schultz suggested the Crescent Beach property owners form a local improvement district and incorporate both waterfront groyne construction and the other project work of the railway under one development scheme.

A delegation at the previous Council meeting had asked protection from high tides and storms which had wrought havoc with the railway tracks. Flooded many homes back to the waterfront.

POPULAR GOLFER JOINS PRO RANKS

From caddy to "pro" is the true life success story of a local man who chased his first slice into the bush at Peace Point Golf Club in 1934.

Nineteen years, and thousands of rounds have made Watson, 1240 Coast Meridian Road, applied for a caddy job to Howard Merrill, manager and professional at the popular local layout. "A gangly kid who half stood straight up, was Merrill's first impression, but his keenness soon won me over."

Neither would have taken odds then that young Watson would be appointed assistant professional at the same club years later. The appointment, announced Wednesday by Watson, is effective March 1.

Watson will serve a year as assistant before taking over as professional duties from Merrill in 1964. The 33 year old golfer is a veteran of 4 1/2 years in the Canadian Scottish. Early in World War II he served in the Australian and was overseas for two years following. He was employed as a floor layer before turning professional.

The Fraser Valley Open Championship has been won by the modest three-handicapper more times than he likes to mention. He has two titles in the Canadian Scottish. E. G. Copping passes

suddenly at 69

White Rock's best, especially, will miss Edmond George Copping, 436 Pacific Ave., who passed away on Monday, February 25, at the age of 69. Though often in not too good health, he always found time to help his friends in that area. Invariably, when greeted by friends, he would say, "And what can I do for you today?"

He enjoyed a visit to Chubb and neighbors. Neil Chubb had been his friend for many years. While spending lunch with them he was not feeling well. He passed away at 4 a.m. Tuesday, after complaining of sharp pain to the chest. He had been his 70th birthday.

He was buried Thursday at 2 p.m. from the Chapel Hill Funeral Parlour. Rev. C. Dietrick officiating. Burial was at Ocean View Cemetery.

LEARNING

By A. SCOTT

In the 20th century civilization true students are a dying race. By true students I mean people who study not for the material gain involved but for the sake of satisfying their curiosity.

Too often high school people amass information for the sake of "getting through school" with the aim of entering some specialized field for which a high school graduation diploma is the entrance requirement. In other words, we study not for the pleasure involved in increasing our knowledge but for the sake of making money. All too often when we have increased our material possessions to the point where we have a fine home, a new car and an elaborate wardrobe we find that there is very little incentive for living. At this point we may go on a global tour but, after a time, even travel becomes tedious. On the other hand, a person who studies for the sake of learning finds an ever widening vista of enjoyment spreading before him. Whether he be rich or poor, he is surrounded by friends, he has a means of spending his leisure hours in the pleasurable occupation of study. The learning of the causes of the fall of the Roman Empire or the use of the subjunctive mood may not pay off in dollars and cents, but the satisfaction in "peace of mind" is incalculable. Study can be a fascinating and rewarding experience. Why not try it?

Boys defeat P.M. to tune of 47-31

Semi, picked up its second victory over Princess Margaret Friday night as our boys defeated them 47-31. The game was held at the opponents' gym. There was a larger difference in score than any other game in which White Rock has played this year.

Semi started slowly and in the first quarter only managed to pick up 6 points compared to Margaret's 11. Semi came to life, however, and outscored Margaret 14-8 to hold a 20-19 half-time lead. This was the last time that P.M. was close to Semi as the victors went on a scoring spree in the second half to pull ahead and coast to an easy victory. The third quarter was Semi's highest scoring part of the game and it was at this stage of the game which they pulled away from the home team. SEMI HOLDS LEAD Margaret led 29-24 at the start of the last quarter and then matched basket for basket with the opponents till the end. The scoring was more evenly

PLAIN CHATTER

How do you like the Girls H-Y, Pete Albanan?

How did the girls enjoy going skating with Miss Cloghney and Miss Clark? Are your ampts really over, Denise?

The Sr. Girls played their first game of the finals last night with Q.E. Their second game is on Monday at Q.E. How about a good turnout of supporters. The Sr. boys are also playing off with Q.E. for fifth place in the league.

We saw that Don G. is following John W's advice given in his column last week. This noon hour we saw Norm W. in the stands, grinning. Don's car as Don nonchalantly sat in the car and pushed the gas pedal down.

What's the big attraction in Ferndale, Kits? Just roller-skating?

It seems that the French 91 are as planless as a steam train on a play (7) in French. Bet started boning up on your French, Kit!

Did you have a good time in Alberni, Chris?

Guess what our curtains have finally arrived!

Girls give many fouls

The second game of the semi-finals was played at Princess Margaret on Friday night. Supporters from Semiahmoo were in the second game.

This game, P.M. seemed out to win, when they scored first on a foul shot. Anne P. scored first for Semi. on a foul and Heather, who was holding off two checks, put us in the lead with a lovely hook shot. Charlotte came down the centre and put up Semi's next two points. At quarter time the score was 15-5 Semi.

In the second quarter long shots and fouls were plentiful. Both teams were trying to hold each other down and both played good ball. At half time the score was 24-10 for Semi. In the second half Margaret lost its grip and Semi girls, who were also tired, went ahead slowly but steadily. At third quarter Semi led by 20 points.

The last quarter was quite slow and Semi wound up the semi-finals by winning 45-19. Point getters were: Heather 18, Anne 15, Charlotte 7, Margaret 2, Marie 2, Patry 2, Willie 1.

Distributed in this game, Ed Terry was high scorer of the night with 16 points, followed closely by Carl Walz with 15 points. Ernie Fairholm, our high scoring forward, had this game but as he had just been sick. He will be back in time to play against Queen Elizabeth on Wednesday. This will help Semi's scoring punch considerably.

The scorers of the night were: Ed Terry 18, Carl Walz 15, Bob Staphlet 7, Ted McLeod 6, Ron Murphy 3, Ray Williams 1.

TEAM IN BENEFIT GAME

Mr. Breen promises 30 points

The staff has challenged the senior boys' team to a game next Friday night at 8 p.m. They promise a very exciting game and hope to raise some money for transportation purposes.

A preliminary game between Semi's junior girls will be played at 7 p.m.

JUNIORS THRILL

CROWD IN OVERTIME

Skills! Thrills! Spills! These are the words that describe one of the most exciting games of the season for the junior boys. The game, which was played at Princess Margaret, got off to an exciting start and the teams, which were evenly matched, put forth all the effort they could muster. The crowd was thrilled at the closeness of the game and the score at quarter time stood 22-20, 5th Princess Margaret 19.

In the second quarter the game commenced rapidly with both teams passing and shooting and both scoring and missing. The score at half time was 34-24 in favour of Margaret.

The score at halftime was Margaret 35, Semiahmoo 12. Into the last half went the teams both trying to outdo the other. In spite of Semiahmoo's effort Margaret kept a slight lead, and at three-thirty time the score in favor of Margaret was 39 to 18.

DAWSON TIES SCORE

The last quarter was the one that counted and the teams, coaches and crowd knew it. The crowd rose on its toes in disappointment or relief as each shot went up. Then it happened—Melvin Olsen got a free shot and the game with only seven minutes left in the game, seven minutes left in the game, then Margaret scored again, and in two for Semiahmoo, Princess Margaret was in the lead by 1 point, with only a few minutes left when Dave Dawson put up a free shot and the whistle blew. The game was tied and overtime was to be played.

The tension could be felt in the crowd when the game again commenced. One of Margaret's players broke away and scored. They were in the lead, but not for long. Tom Woods put up a basket to tie the game! The crowd cheered and boomed. With only one half minute left in the game Margaret broke away and won the ball into the net. The game was over and Margaret had won by a very narrow margin. The final score was 44-42. Dan M. 2, Eddie F. 11, Melvin O. 2, Albert S. 4, Dave D. 2, Tommie W. 2, Dan M. 2.

Our boys are to be congratulated on a very fine, exciting game, which thrilled the crowd, students and parents alike, and showed them what a game Semiahmoo really can play.

SENIOR GIRLS WIN SEMI-FINAL GAME

HEATHER LEADS SCORING

During last week the senior girls brought home two wins, both against Princess Margaret, in the first and only two games of the semi-final playoffs.

The first, which was played on Wednesday night, got off to a good start when Heather scored the first basket of the game. P.M. has developed a new plan of attack—that of both players and spectators making a lot of noise in an effort to rattle the opposition. Semi took a fast lead and ended first quarter with a score of 14-3.

In the second quarter Semi and Margaret took turns passing the ball around and making plays that did not always turn out. The scoring was very low and at half-time Semi led 15-5.

Away up the floor again the teams went; the blue and white of Semi, making a vivid contrast against the black and white of P.M. The opposing school had powerful long shooters and they put in two more baskets to bring the score to 24-9.

The last quarter brought no luck to Margaret and although the players tried hard, they could do little. Thus, Semi took the first of the semi-finals to the tune of 34-13.

Heather played an excellent game, getting 20 points. Anne Charlotte and Chris supported her, making 8, 4 and 2 points respectively.

In the Garden

By G. E. SERY, Garden Editor.

Fruit and Ornamental Planting.

From now on and all through next month will be a good time to plant fruit trees and bushes and all kinds of ornamental trees and shrubs.

Fruit trees should be planted as early as possible, and ornamental trees, to ensure them a good start in forming new roots. Actually the Fall is the best time for planting any of these, but early Spring is the next best time.

The ground to receive them should have been well dug over or trenched, but no fresh manure should have been incorporated with the soil where the roots of the trees would come in contact with it. Thoroughly well decomposed manure will be beneficial and material from the compost heap. The holes should be dug allowing ample space for the spread of the roots without their being curled around the hole.

Plant the trees at approximately the same depth as they were planted in the nursery. In the case of dwarf fruit trees be very sure that they are not planted so that the earth covers the junction of the graft. When you are ready to plant, the hole should be the right depth and the right width, spread the roots of the tree evenly and cover with the best top soil with a little compost material, shake the tree firmly and down to the level of the surface. All trees should be staked immediately after planting, and tied securely, but allowing for the swelling of the trunk of the tree.

Standard fruit trees are best planted where space is available, but in restricted areas dwarf fruit trees will be more desirable. These latter may be planted as close to each other as nine or ten feet. With both types of trees, pruning operations should be carried out the first year, especially during their initial years, for that is the time that their training into a correctly shaped tree is done.

ORNAMENTAL PLANTING

In each individual property, a different style of landscaping, only general rules of ornamental planting can be made. It must be left to the individual to assess the possibilities for beautification—and the defects—and emphasize the better, and screen the latter by the proper use of shrubs and trees.

The type of architecture of the house, the position of trees and shrubs already on the grounds, the slope and general characteristics of the land and any natural element of beauty must be taken into consideration, when working out the overall plans.

Certain views within the grounds such as borders, fences, garage, and back areas, as well as views outside of the grounds of the same nature, should be either wholly or partly screened by ornamental plantings. On the other hand planning the areas outside the grounds should be preserved in such a manner that they can be viewed from these points of the house and grounds where the family spends most of its leisure hours. Ornamental plantings then should conceal defects and emphasize the better elements which are most pleasing.

Avoid meaningless, isolated specimens and strive to produce a natural and graceful effect rather than an artificial, made-made effect. Plant the shrubs in groups, using several specimens of a few varieties only, rather than one specimen only of a number of varieties.

Avoid meaningless, isolated specimens about the lawn. Naturalistic groups give character to the design, each group consisting of several plants. It is advisable to use the same varieties in repeated groups, but slightly different combinations. Plantings should be massed about the base of the buildings, leaving about one third of the foundation visible; also grouped about the curves and junctions of walks and drives, and massed about the borders.

which bloom early, and resist hot weather, so that a long season of beautiful flowers is possible from seeds sown in the outdoor garden.

Seeds can be sown as early as the hardiest varieties of garden peas. Forcing garden soil as fertile as you have will give best results. As soon as the plants are three inches high, brush should be provided for the vines to climb on, and when they have grown to six inches wire supports, well anchored to resist wind, should be in place.

Regular watering is essential after the Spring rains end, the soil should be soaked at least every week, or after it is necessary to prevent drying out. Liquid manures should be given about once a week, prior to their coming into flower. A mulch of manure, lawn clippings, or similar material will help retain the moisture in the soil and prolong the flowering season.

Sweet peas are legumes, and extract nitrogen from the air. They benefit if the seeds are inoculated with a bacterial culture sold for that purpose.

AND WATER

Dust can be as ugly on house plants as damaging to their health.

Large leafy plants, like the sansevieria, should be washed regularly with a well-soaped cloth and then wiped clean with a damp cloth.

Unless they are of a particularly fragile breed, flowering plants may be sprayed with misty soap to keep them looking fresh and shiny.

FISH FAVORITES

This meat substitute is healthful, economical

Fish is a wonderful substitute for meat, and an economical one too, at any time of the year but when Lenten meals are the order, they come more to the fore.

Home-makers are anxious to serve a variety of attractive dishes and fish can be served in so many wonderful ways.

With the fresh B.C. fish available all year round and inexpensive canned fish in plentiful supply, we have no difficulty serving attractive and interesting fish dinners.

Fish is excellent from a nutritional standpoint too. It contains necessary body-building proteins and many essential vitamins and minerals.

SALMON DELMONICO
A Lenten dish with a delightful flavour made of easily available foods is this rice salmon delmonico.

- 1 lb. can salmon
- 4 tablespoons butter
- 4 tablespoons flour
- 2 cups milk
- 1½ teaspoons salt
- ¼ teaspoon pepper
- Cayenne
- 1 egg yolk
- 2 tablespoons lemon juice
- 1 cup sliced, cooked mushrooms
- 3 cups cooked rice

Drain off oil and flake salmon. Melt butter in upper part of double boiler. Add flour and stir until blended. Add milk slowly and cook until mixture thickens, stirring constantly. Beat egg yolk slightly and add to sauce. Add lemon juice, salt and seasonings. Fold in salmon and mushrooms. Reheat over boiling water.

Serve over fluffy rice or fill centre of baked rice ring. Garnish with parsley or sliced eggs. Makes 8 servings.

BAKED CREAM FISH PILLETS

- This is a delightful way to serve fish fillets.
 - 2 pounds fish fillets
 - Juice of 1 lemon
 - 2 tablespoons shortening or butter
 - 2 tablespoons flour
 - 1 teaspoon salt
 - Dash pepper
 - 1 tablespoon mustard
 - ¼ teaspoon paprika
 - 1 cup top milk or cream
 - ½ cup buttered crumbs
 - 1 tablespoon minced parsley
- Cut fillets into serving pieces. Place in an oiled shallow baking dish and sprinkle with lemon juice. Make a white sauce with shortening, flour, seasonings and milk. Pour over fillets. Sprinkle with crumbs and parsley. Bake at 350 degrees for 35 minutes. Serves 6.

CLAM AND MACARONI SCALLOP

This is a hearty casserole with the distinctive savory tang of clams.

- 2-ounce cans minced clams
- 8 ounces macaroni
- 3 quarts boiling water
- 1 tablespoon salt
- ¼ cup butter
- 2 tablespoons finely chopped onion
- 2 teaspoons flour
- 1 cup evaporated milk
- 1 tablespoon finely chopped parsley
- 8 soda crackers
- 1 tablespoon butter
- Paprika

Drain clams and save liquor. Cook macaroni until tender in boiling salted water. Drain. Melt butter. Add

union and cook over low heat until onion is yellow and transparent. Blend in flour. Gradually add clam liquid. Cook until mixture thickens, stirring constantly. Add milk and minced clams and heat but do not move from heat, stir in parsley and pour over macaroni in baking dish. Mix sauce and macaroni slightly so that clams are evenly distributed. Crumble soda crackers and sprinkle over top. Dot with butter and sprinkle with paprika. Bake at 350 degrees until sauce bubbles, about 20 minutes. Serve 8 to 10 people.

SALMON STUFFED LOAF

If you are looking for an inexpensive and very delicious dish that will serve 8 to 10 people, here it is.

- 1 small loaf French bread
- 1 tablespoon plain gelatine
- 1½ cup cold water
- 1 pound can red salmon

- 3 ounces cream cheese
- 2 tablespoons catsup
- ¾ tablespoon mayonnaise
- ¼ teaspoon pepper
- ¼ teaspoon dry mustard
- 2 tablespoons chopped pickle
- 1 cup chopped sweet pickle
- 1 cup well-crumbled bread

Cut off ends of the loaf and remove soft centre so that only ¼ inch shell of crust remains. Soak gelatine in cold water and place over hot water to dissolve. Mash salmon and add remaining ingredients. Stir well. Add gelatine to salmon mixture and chill until partly set. Then fill loaf with salmon mixture. Wrap loaf in waxed paper and store in refrigerator overnight. Serve in ¼-inch slices on crisp lettuce leaves.

MORNY SAUCE

A very plain fish dish can be made special with a sauce like this one.

- 2 tablespoons flour
- 2 tablespoons butter
- ¼ teaspoon salt
- Dash pepper
- 1 cup milk
- ¼ teaspoon dry mustard
- 6 tablespoons grated cheese
- 3 tablespoons cream

Melt butter in saucepan and add flour, salt and pepper. Gradually stir in milk and stir until mixture comes to a boil and thickens slightly. Add mustard, cheese and cream. Cook until cheese is melted, stirring constantly. Serve with fillet of sole, cod or halibut. Or serve with other fish or cooked greens.

PERFECT TARTAR SAUCE

Mix 1 cup mayonnaise dressing with 1 teaspoon onion juice, 1 tablespoon capers or chutney, 1 tablespoon chopped pickles or dill and 1 teaspoon lemon juice. Mix well and store in refrigerator.

GREAT NEW FEATURE BENEFITS ALL OUR CUSTOMERS

CHEVRON-MATIC is the greatest improvement in service station charge account handling since STANDARD introduced the credit card system to B.C. over 17 years ago. It means added protection for our credit customers and extra speed for ALL customers at our busy stations.

WHAT IT IS: Chevron-matic is a light-weight printing strip with name of customer and account number attached to the protective cover of Chevron Credit Cards. It makes record-keeping almost automatic, guarantees accuracy and helps us give you the best in service FAST.

THIS IS HOW IT WORKS

1. With the new Chevron-matic printing strip, our credit cards still fit easily into wallet or purse. New cards, which have been mailed to our customers, are honored coast-to-coast through Canada and the United States.
2. A specially designed imprinting machine prints your account number and name, and the dealer's name and location, on the charge slip automatically. No chance for errors... given you all the advantages of credit buying with new convenience and speed.
3. NO "WAITING FIDGETS" with Chevron-matic. When you're next in line you know there'll be no delays in closing the purchase. The same service will speed you on your way faster when you reach the pump-block.

We take better care of your car

Silver Tea to

Aid Hospital Fund

By MRS. THURA HOLMES

There will be a silver tea on March 2 at 2 p.m. at the home of Mrs. H. Lang, 208 Campbell River Road. Mrs. R. McNally will be a co-hostess. The proceeds for the afternoon will be turned over to the Ladies Auxiliary of the White Rock Hospital.

Mr. E. Coggins has returned from Midway, B.C., to spend this week with his wife and son.

Mrs. C. McNally is confined to her home with a broken foot.

The next meeting of the Meridian Group will be held at 8 p.m. on March 2 at the home of Mrs. J. E. Graham, Coast Meridian Road.

At the Wednesday night whist Mrs. H. Lang and Mrs. V. Trod-

den won the first prize, while J. E. Graham won the consolation prize.

On February 21 a very enjoyable evening was spent at the home of Mr. and Mrs. R. C. Britton, 1950 Campbell River Road, when friends gathered to help Mrs. Britton celebrate her birthday.

Whist was played during the evening with Mr. Kiske winning first prize and consolation going to Mr. Charter.

Canada was also played with Mrs. Britton and Mr. Britton taking honours.

Mrs. Britton was the recipient of some very beautiful gifts from those present. At the close of the birthday celebration a lovely buffet supper was served.

Sunnyside News

By DAISY STRUM

Mr. and Mrs. George Hill of Statice Road attended the recent "Klondike Night" in Vancouver. They report a good turnout for the occasion and a fine time.

The Ladies' Aid of Sunnyside United Church will hold their regular monthly meeting on March 4 at 2 o'clock in the Church Hall. It is hoped there will be a good attendance, as plans for the April Bazaar and Tea will be formulated.

Mr. and Mrs. P. Hill and Mr. and Mrs. Bert Hill went to Vancouver last week for the "Mellie, Manitoba Night" which was held at Alma Hall. There were about 100 people there. Some had left Mellie as long ago as 35 years, while others left only last month.

Mr. and Mrs. T. Owen have returned to Sunnyside after spending the past several weeks in the Southern States.

Sunnyside P.T.A. met Wednesday of last week at the school. It was decided that the annual Spring Fair would be held on April 17, with the usual fine booths for which this group is famous. Mrs. Annie Gable was lucky winner of the Turkey Draw.

FROM TOWN . . . Saturday guests of W. J. Conn, Maple and Victoria, were their nephew and family, Mr. and Mrs. J. Porter and two sons of Vancouver.
